Birth
Love
Pain
Sex
Desire x2

Cash
Power
Greed
I like you best when you're on your knees
I said in sweat
Lust
Rug
Burn
I keep crawling, but I never never learn

I want more than love
I wanna rip you up
You gotta burn me with desire
I need, I want it bad
I'll eat out of your hand
You know I want to be desired

Desire me

Dreams
Fate
Nipple
Salad

I desire you

Fame
Blood
Flesh
Paulina
Divine

Come
Heaven's
Gate

You slam me to the floor, then you make me wait
I need a hard
Kiss
No
Class
Rock me on the edge baby, I ain't glass

I want more than love
I wanna rip you up
You gotta burn me with desire
I need, I want it bad
I'll eat out of your hand
You know you want to be desired

So desire me

I've been watching you
Imagining I'm pleading your forgiveness
Kissing down
Further...And further...You're making me beg for you
Please,
God...now!

Love, a little bit of love
We need more than a little bit of love i need more
I want to rip you up
It's not enough
I'll eat out of your hand
We need a...We need more
