Wha-? AND she's trying to take our men?  
Ahh nah, we gotta let her know what's up 'round here!

#### CHORUS

Who are you, and why you do the things you do  
You're messing with my boo  
Girl can't you see the man's with me?  
Excuse me please, I need some privacy  
Girl listen up, I'm onto you  
I run this place and the men here too.  
Well good for you, if that is true  
You might as well tell them what to do.

What're you tryin' to prove to me?  
Your tattoo don't mean a thing  
Your busty shirt, your sleazy boots  
It's not the way I like to look.  
I'm sexy, I'm classy, I'm a lady  
And this is how i'm nastified (x3)

#### CHORUS

Welcome to the real east coast  
Where your boo-tay ain't considered a beau-tay  
Why you creepin' right up in my town?  
You thinkin' you can put me down  
Well baby girl, I don't think so  
I'm not some stupid nasty \*uhh!\*I'm sexy, I'm crazy, I'm still a lady!  
And this is how i'm nastified (x3)

#### CHORUS

#### BRIDGE

Why do you keep on tryin' to creep on my man?  
I said why why, now why why?

Why can't you go and find yourself your own man?  
I said why why I said why why?

This is how we roll here...  
And this is how we roll here...

CHORUS

BRIDGE

This is how we roll here...
