I know that you're removed
It seems that you're so busy
We barely recognize you here
Do you recognize me?

Are you walking away?
Or have you gone?

Are they just these little steps you're taking?
Only life you're breaking
Only God forsaken
My heart you're raping
Only love you're taking
My life you're shaking

It's just that you're removed
You don't look me in the eye now
It's only 5 a.m. my dear
Do you want to lie now?

Is she seventeen?
Or twenty one?

Are they just these little steps you're taking?
Only life you're hating
Only God your raping
My love you're taking
Little love you're making
My heart you're breaking

And your walking away
Or have you gone?
Are you leaving me?

Are these little steps you're taking?
Only love you're hating
Only life you're shaking
My world you're breaking
Only god forsaking
My heart you're raping

It's your love you're taking
My life your breaking
My heart your're raping
Fuck it!
