I know that you're removed
It seems that you're so busy
We barely recognize you here
Do you recognize me?

Are you walking away?
Or have you gone?

Are they just these little steps you're taking?
Only life you're taking
My world you're breaking
Only God forsaken
My heart you're raping
My life you're shaking

It's just that you're removed
You don't look me in the eye now
It's only 5 a.m. my dear
Do you want to lie now?

Is she seventeen?
Or 21?

Are they just these little steps you're taking?
Only lives you're raping
Only God forsaken
Only love you're taking
little love you're making
My heart you're breaking

Are you walking away
Or have you gone?
Are you leaving me?

Are these little steps you're taking?
My love you're breaking
Only lives you're shaking
My God you're hating
Only girls you're raping
My life you're taking

It's my little heart you're raping
It's your love you're faking
Fuck it!
