Feeling nervous, I'm feeling so strange  
Just a prisoner wanting to escape  
Let go feel your body, let go of your mind

A walk on the wild side calls you  
Safety in numbers pulls you in  
Let go feel your body, let go of your mind

Live a little trash  
Make it fun, make it fast  
Live a little trash  
You can live with your past

Live a little trash  
Make it fun, make it fast  
You can live with your past  
Live a little

Live a little trash  
Make it fun, make it fast  
Live a little trash  
You can live with your past

Live a little trash  
Make it fun, make it fast  
You can live with your past

This tug of war is useless  
Why not have your cake and eat it too  
A little bit naughty, a little risk

One night living kamikaze  
Dive in, do or die and make a splash  
Then watch all the water run over the sides

Live a little trash  
Make it fun, make it fast  
Live a little trash  
You can live with your past

Live a little trash  
Make it fun, make it fast

You can live with your past

Live a little trash  
Make it fun, make it fast  
Live a little trash  
You can live with your past

Live a little trash  
Make it fun, make it fast  
You can live with your past

Live a little trash  
Make it fun, make it fast  
Live a little trash  
You can live with your past

Live a little trash  
Make it fun, make it fast  
You can live with your past
