Was it the drugs?
Or was it lack of love?
Couldn't have been me
Must have been the guy before me
What made her act this way
And turn around and say
The things she said
About wanting to be dead
I'm asking you because
You knew her back when

Chorus:
She used to be so great

But now she scares me with
the way she walks and the way she talks
Was she her parents mistake
Or is anybody really to blame
I'm asking you because
you knew her back when

Chorus

Was it the drugs?

Chorus

Was it the drugs?
