She walked forever with a leash around my moon,
So I walked forever to give us both some room.
We walked forever together alone,
Someday soon, we walk forever, together, alone
Someday soon.
Someday soon, we walk forever, together, alone
Someday soon.

She went back home and changed her name.
So I went back home to look for some rain,
And the way it hit my face it drove me quite insane.
The way it hit my face it drove me quite insane.

Make me Imaginary,
Make me Imaginary,
Make me Imaginary.
Please be Imaginary

She thought about it and changed her mind,
So I thought about it and I went and changed mine.
But changing minds don't mean making hearts go
blind
Changing minds don't mean making hearts go blind.

Please be Imaginary
Please be Imaginary
Please be Imaginary
Make me Imaginary
