Anything You Want Me To Do
I'll Will Do It For Ur Touch
Its The Way U Like Me To Do Mine
And I Will Feel Ur PreMind

(Lyrics)

Its So Clear That I Had One, To Regret On My Hands
Given That Taste Of U Which I Understand
That Can Be Me

Morning And Fall Can Spring
Tells Me What U Need
For Me Now And I'll Do Whatcha Got To Take

ooooo....

(Chrous)

Anything You Want Me To Do
I'll Will Do It For Ur Touch
Its The Way U Like Me To Do Mine
And I Will Feel Ur PreMind

(Bridge)

I'll Say It Through Your Eyes (touch me, feel me, tell me, what it is)
Ur So Sweet And Kind Of Who I Need (Who I Need)
But U Put Me On My Own
And I'll Say U Do Whats Right For Me
Yaaaa....

(Chrous)

Anything You Want Me To Do
I'll Will Do It For Ur Touch
Its The Way U Like Me To Do Mine
And I Will Feel Ur Premind
