All the time  
I've seen you through  
Many year's that I've lost  
Wouldn't be out for a drop  
I love u lord  
See me in the way I've been  
Giving back to what I need  
For you today.

We're in love with our lord and savior Christ

(Chrous)  
I love u lord (will make it alright)  
I love u lord (so please forgive for my sins)  
In my testimony (to the traditional liberty's)  
There's nothing I can do with you and you (you, and  
you)  
But the time is greatly (for night's and days)
