(lyrics)

shake shake it
flip flip it
back and tops
which it would be the same
without love and passion
could take it one step at time
ya ya ya...

(chrous)

bragged it down ur knees (sugar lovers)
lean onto the walls of (drawing lovers)
times i want to know even now (its your best)
to get it in ur heart and (fill it with sugar candy)

(lyrics x1)

gulty, wise, and teasely (wining about me)
can't keep it looking wish u want (my song)
times i want to dance (out of my soul)
it can be a joint or a month (for me)
values & minutes are where u have (sugar and crazyness)
u'll find me where u say ooooo....

(chrous)

bragged it down ur knees (sugar lovers)
lean onto the walls of (drawing lovers)
times i want to know even now (its your best)
to get it in ur heart and (fill it with sugar candy)

(bridge)

just because i'm there for u
its a not a reason how im so
good and nice
perfect the way god created me
sugarhillson (sugarhill) (sugarhill)

sugarhillsong (sugarhill) (sugarhill)
more than i know what u want me to do
ya ya yaya ooo...

(chrous)

bragged it down ur knees (sugar lovers)
lean onto the walls of (drawing lovers)
times i want to know even now (its your best)
to get it in ur heart and (fill it with sugar candy)
