Sweeties, Sweeties of my lovers  
You're the best, I could ever had  
Spoken about (once and while)  
Chosen to be ur (guidance)  
Of who I am, (sweeties there could love)

[Verse 1]]

Never Recently Calling Back  
I've Given Myself Down  
Sometimes I Feel Own Bowns  
And Will Be Crazy (Sometimes)  
The Guidance Of Sweets That  
You Have Pure OOOHHH...

[[Chrous x1]]

Sweeties, Sweeties of my lovers  
You're the best, I could ever had  
Spoken about (once and while)  
Chosen to be ur (guidance)  
Of who I am, (sweeties there could love)

[[Bridge]]

O Lovers What You Doing Here?  
Sweeties Is My Purement  
It's Again To Know What U Think And Postive  
My Lord Jesus Is My Lover And Guidance  
His The Spirit Of Ways That Are Understandable  
But Which Was Weak For Me  
And Now I Understane (Sweeties Are Memories)
