No, no, I didn't wanna make you cry
Look into my eyes
They would let you know
No, no, I didn't wanna say Good-bye
Listen to my heart
It would tell you more

I call you in my dreams
And you come back to me

Chorus:
I feel so sorry
I lose my senses
Please forgive me
No, I never wanna let you go
I feel so sorry
No more kisses
Please forgive me
No, I'm never gonna let you go

No, no I didn't wanna put you down
A part of me is pleading (or bleeding)
Fighting with the past
No, no, you didn't mean to run away
I'll be your one to play

Nothing more to say

I call you
(never give it up, never give it up)
in my dreams
(never give it up, never give it up)
And you
(never give it up, never give it up)
Come back to me

Chorus:
I feel so sorry
I lose my senses
Please forgive me
No, I never wanna let you go
I feel so sorry

No more kisses
Please forgive me
No, I'm never gonna let you go

We'll leave it all behind
The reckless fool me
The touching it
Let it in your dreams
And start it all again

Chorus:
