Just a little more time is all we're asking for
'Cause just a little more time could open closing doors
Just a little uncertainty can bring you down
And nobody wants to know you now
And nobody wants to show you how

So if you're lost and on your own
You can never surrender
And if your path won't lead you home
You can never surrender

And when the night is cold and dark
You can see you can see light
'Cause no one can take away your right
To fight and to never surrender

With a little perseverance you can get things done
Without a blind adherence that has conquered some
And no body wants to know you know
And nobody wants to show you how

So if your lost and on your own
You can never surrender
And if you're path won't lead you home
You can never surrender

And when the night is cold and dark
You can see you can see light
'Cause no one can take away your right
To fight and to never surrender

And when the night is cold and dark
You can see you can see light
No one can take away your right
To fight and to never surrender
To never surrender

Oh, time is all we're asking for
To never surrender
Oh, you can never surrender
Time is all we're asking for
