You can't

You won't

Ak-nel

You can't

You won't

(Curly) Refrain

Something is what you meet standing up on the corner

Lay out

And when you think of my spliff

You think something has come over

Lay out

I say

Here I am what I'm going to do

Yes I've got these dreams to come true

And the way you embrace me

It makes me want to crossover

Lay out

(Curly) 2x

Sha La La La (la la la)

La la la (la la la)

La la la (la la la)

(Akinyele)

Ha it's the hardcoe rhymers

Straightening niggas out like recliners

You dicks get sprayed like stun

I use your blood to paint the walls like period vagina

Remind us

Of signers

When we busting you up

Bullets like allergies

Straight stuffin' you up

Can I touch any he or she that try to diss this

Once I clutch the grammy in my hand like stick shift

Or professor

I'm putting niggas in a stretcher

Tell your crew

I play them boys ou like fucking Hugh Hefner

It aint nothing
My guns part authority
Cause they be busting
I could feel or catch a wreck like your part buttons

(Curly) Hook
(2x)
Cause were rough
Were rough
Tough
Were tough
We are danger (danger straight dangerous)
(2x)
Sha la la la (la la la)
La la la (la la la)
La la la (la la la)

(Akinyele)
When it's dark
It's the (?) parts
That I be walking in
Be clocking you and dropping you
Like dr. Kevorkian
My hobby is to hit you
With guns in the hand
In my left
Putting bullets in your chest
Like Bobby Fisher
I wish a
Nigga
Want to contest this
Wet you up like star water
You fellas is fish
Trying to go up again
To fall from an intense nigga
To stab you with a dagger
Reagardless if you stagger
I still going to jab you with the marvelous (?)
Like Agler
Making your ass fall like Niagara
My trigger finger that damage
Advantaged niggas
Like Abracadabra
What
The AK
The glock nine
Making niggas slow down and what not
Similar to stop signs
Money and crimes
On my mind
I murder silly jokes

For they choke
And all you ever find
Is their body outlined
In white lines

Hook

Refrain

Hook
