I..can only hurt your case
It's written on your face
You always come to me
I won't be used, but..

I - can't fight you anymore
I know it'll open up the door, oh...

NO! I WON'T! I CAN'T! NOT ANYMORE!
ONE MORE TIME AND I THINK I'LL FUCKING DIE!
WHY? DO I ALWAYS HAVE TO SUFFER THE
CONSEQUENCES?

Stay...away from who I am
Cuz I know what you are
I can't believe you're here
Then again, you know that...

I - can't fight you anymore
I know it'll open up my soul, oh..

NO! I WON'T! I CAN'T! NOT ANYMORE!
ONE MORE TIME AND I THINK I'LL FUCKING DIE!
WHY? DO I ALWAYS HAVE TO SUFFER THE
CONSEQUENCES?

Stop..I know your goddamn game
It's always been the same
The story hasn't changed
Neither will you, but..

I - can't fight you anymore
I know it'll open up my soul

NO! I WON'T! I CAN'T! NOT ANYMORE!
ONE MORE TIME AND I THINK I'LL FUCKING DIE!
WHY? DO I ALWAYS HAVE TO SUFFER THE
CONSEQUENCES?
