Promise me, that you will always be my queen...  
I need to know that Yeeaah  
Promise me, that if I couldn't buy you things, like your  
sugar jewels - you won't care.  
Promise me, that you will never leave me alone if my  
records ain't hot next year.  
Promise me, I've Done been with some Chicks Before  
But It Wasn't Sincere  
Shorty please promise me.  
If you true boo, show it.  
Say you going, no where.  
'Cause Some Chicks Be phony  
So I'm asking...

I've been with Plenty girls (Uh huh)  
They be actin' thirsty (Uh huh)  
See me on the stage, the jewels, the feet?  
They don't really care about me.  
And then I met you girl, Just Like I Dreamed You'd Be.  
Girl, you're my lover, my homie.  
Girl, I mean honestly; can you promise me?

(Promise me)  
That you won't even take it there.  
Hit up the courts; want half my shares (you know)  
You won't listen to your girlfriends hating.  
You'll listen to me girl first please.  
You'll Hold Down My Back, Girl Handle That  
And if you need a stack, I'll give you that.  
Once I know you got love for me, you gon' get some  
things that these chicks won't see (no)

If you true boo, show it.  
Say you going, no where.

'Cause Some Chicks Be phony (Uh).  
So I'm asking...

I've been with Plenty girls (Uh huh)  
They be actin' thirsty (Uh huh)  
Seen me on the stage, the jewels, the feet.  
They don't really care about me.

And then I met you girl, Just Like I Dreamed You'd Be.  
Girl, you're my lover, my homie.  
Girl, I Mean honestly; can you promise me?

A man can't fall in love out here anymore  
Cause some girls ain't seen to what they seem to be  
(uh huh)  
Cause they'll do anything for money.  
But they ain't gettin' nothing from me.  
But you seem real to me.

I've been with Plenty girls (Uh huh)  
They be actin' thirsty (Uh huh)  
See me on the stage, the jewels, the feet.  
They don't really care about me.  
And then I met you girl, Just Like I Dreamed You'd Be  
Girl, you're my lover, my homie.  
Girl, I Mean honestly; can you promise me?

I've been with Plenty girls (Uh huh)
