How can I give you everything when you wont take it
How can I trust you when I know you're always fakin'
How can I lean on you when all you do is break me
down
You break me down
I'm not shatterproof

I'm strong
I'm weak
But I'm not shatterproof
When I'm cut, I bleed
Cause I'm not shatterproof
It's killin me, yeah
That I can't walk away from you
I'm not shatterproof

Sometimes I see myself just sneaking out the back
door
And when you wake up you find find me cause I'll be
gone
And as I'm leaving there's this feeling that keeps
breaking me down
You break me down
I'm not shatterproof

I'm strong
I'm weak
But I'm not shatterproof

When I'm cut, I bleed
Cause I'm not shatterproof
It's killin me, yeah
That I can't walk away from you
Why can't I walk away from you

It's like a dream and I'm frozen in place
It's like I'm lost and I can't find my way
I follow without reason
I circle back to you
And nothing has changed

I'm strong I'm weak

When I'm cut, I bleed
I'm not shatterproof
I'm strong I'm weak
But I'm not shatterproof
When I'm cut I bleed
I'm not shatterproof
And it's killing me yeah
That I can't walk away from you
I can't walk away from you
I'm not shatterproof
No I'm not shatterproof
I'm not shatterproof
