Let's Go!

They say, be thankful girl
For all that he's blessed upon you.
Still I can't help but feel
He's taken life from in me.
All my life I've looked to him (God)
For answers no one seems to have.
My hands in prayer I'm on my knees
Forgiveness I ask for and yet!

Now that you're gone
These feelings of regret torment this side of me.
I need to love that's so strong
It's made me realize one time is all you need
Now that you're gone

Oh god the pain's returning.
I'm scared confusion's all I know.
I cry, the tears are burning.
I ask for strength to let go.
Tell me why you've chosen me
To test and will it ever end?
Will I survive, temptation grows.
I do what I must to forget.

Now that you're gone
These feelings of regret torment this side of me.
I need to love that's so strong
It's made me realize one time is all you need.
Now that you're gone

Mom you are the beat that makes my heart live
As I pray on my hands and knees please stay by my
side
Now that you're gone (2x)
