First when there's nothing  
But a slow glowing dream  
That your fear seem to hide  
Deep inside your mind

What a feelin', what a feelin'  
Bein's believin'  
What a feelin'

Well, I hear the music  
Close my eyes, feel the rhythm  
Wrap around, take a hold  
Of my heart

What a feelin'  
(I am music now)  
Bein's believin'  
(I am rhythm now)  
I can have it all, now I'm dancin' for my life

Take your passion  
(I am music now)  
And make it happen  
(I am rhythm now)  
Pictures come alive  
You can dance right through your life

Now, I hear the music  
Close my eyes, I am rhythm  
In a flash it takes hold  
Of my heart

What a feelin'  
(I am music now)  
Bein's believin'  
(I am rhythm now)  
I can it have all, now I'm dancin' for my life

Take your passion  
(I am music now)  
And make it happen  
(I am rhythm now)

Pictures come alive  
You can dance right through your life

What a feelin'

What a feelin'  
(I am music now)  
Bein's believin'  
(I am rhythm now)  
I can it have all, now I'm dancin' for my life

Oh, oh, your feelin'  
You can really have it all  
Pictures come alive when I call  
I can really have it all  
(Have it all)  
Pictures come alive when I call  
Call, call, call, call

What a feelin'  
I am music now  
I am rhythm now  
You can really have it all  
Pictures come alive when I call  
I can really have it all  
(Have it all)  
Pictures come alive when I call
