I wait for you.

I don't know why.

All I know is I can't hide.

At this temperature you could take over my mind.

Like gossamer

You softly touch.

He draws me in, I'm powerless.

He possesses an enchantment.

Tell me I'm forgiven

He calls

Don't know how I fell under his spell

Lately I've been driven.

He smiles

An enchantment.

I wait for you

I'm mesmerized

This love is like a potion in disguise

I'd tightrope walk with a blindfold on my eyes

I can't escape

Or so it seems

I'd run away

He's in my dreams.

He possesses

An enchantment.  
Tell me I'm forgiven

He calls

Don't know how I fell under his spell

Lately I've been driven

He smiles

An enchantment  
It's the kind of sleepwalk that never ends.

A type of loan with no dividends.

It's a parlour game where you're given chase.

Guess it could be called an acquired taste.

I know. He knows. He calls. I go. I know.

This could be an enchantment.  
Why don't you tell me I'm forgiven?

He calls

Don't you know how I fell under his spell.

I'm forgiven

Lately i've been driven.

He smiles and I give in,

An enchantment.
