Lying here with you reminds me of those days  
Me and Candice waking up to a heat wave  
Mother's in the garden inviting everyone  
Ooh, we cut up our old jeans and go outside  
Neighbour's always smiling with the baby on her knee  
Rhia sat on the front step getting her hair combed out  
and greased  
Music, the bass boomin' pours from the car parked in  
the street  
Got that new song on repeat, oh oh

I'd, I'd like to put my fingers on you  
I'd, I'd like to paint a picture for you  
Sometimes you don't understand where I'm coming  
from  
I just like to make you see that  
I desire the simple things

Growing up we didn't have a lot of money  
Used to spend our summer having parties on the drive  
Plastic cups for rum and punch, eating chicken that's  
hot and sweet  
All the women discussing what love is like, ooh you  
know the way I mean  
And I'm just sitting watching hoping the boys will call  
for me  
Got that new song on repeat, oh oh

I'd, I'd like to put my fingers on you  
I'd, I'd like to paint a picture for you  
Sometimes you don't understand where I'm coming  
from  
I'm just tryin' to make you see that  
I desire the simple things

Maybe then now and then I would want somebody  
Delicate, intimate, used to dream of someone to love  
Now you come and your alright by me  
I know I'm in love

I'd, I'd like to put my fingers on you  
I'd, I'd like to paint this picture for you

Sometimes you don't understand where I'm coming  
from  
I'm just tryin' to make you see that  
I desire the simple things

I'd, I'd like to put my fingers on you  
I'd, I'd like to paint a picture for you  
Sometimes you don't understand where I'm coming  
from  
I'd just like to make you see that  
I desire the simple things

(I'd I'd)  
Ooh, I'd like to put my fingers on you  
(I'd I'd)  
And Paint a picture for you  
(Sometimes you don't)  
Understnd where I'm coming from  
I desire the simple things

(I'd I'd)  
Like to put my fingers on you  
(I'd I'd)
