Just like a star across my sky
Just like an angel off the page
You have appeared to my life
Feel like I'll never be the same

Just like a song in my heart
Just like oil on my hands
Honor to love you

Still I wonder why it is
I don't argue like this
With anyone but you
We do it all the time
Blowing out my mind

You've got this look I can't describe
You make me feel I'm alive
When everything else is au fait
Without a doubt you're on my side
Heaven has been way too long
Can't find the words to write this song
Oh...
Your love

Still I wonder why it is
I don't argue like this
With anyone but you
We do it all the time

Blowing out my mind

Now I have come to understand,
The way it is,
It's not a secret anymore,
'Cause we've been through that before,
From tonight I know that you're the only one,
I've been confused and in the dark,
Now I understand,

I wonder why it is,
I don't argue like this,
With anyone but you,

I wonder why it is,
I won't let my guard down,
For anyone but you
We do it all the time,
Blowing out my mind,

Just like a star across my sky,
Just like an angel off the page,
You have appeared to my life,
Feel like I'll never be the same,
Just like a song in my heart,
Just like oil on my hands
