Just like a star across my sky,  
just like an angel off the page,  
you have appeared to my life,  
feel like I'll never be the same,  
just like a song in my heart,  
just like oil on my hands,  
Honor to love you

Still i wonder why it is,  
I don't argue like this,  
with anyone but you,  
we do it all the time,  
blowing out my mind,

You've got this look i can't describe,  
you make me feel I'm alive,  
when everything else is au fait,  
without a doubt you're on my side,  
heaven has been away too long,  
can't find the words to write this song of your love,

Still i wonder why it is,  
I don't argue like this,  
with anyone but you,  
we do it all the time,  
blowing out my mind,

Now i have come to understand,  
the way it is,  
It's not a secret anymore,  
'cause we've been through that before,  
from tonight I know that you're the only one,  
I've been confused and in the dark,  
now I understand,  
Yeah-yeah

Oooh.....Ooohhhh..

I wonder why it is,  
I don't argue like this,  
with anyone but you,  
I wonder why it is,

I wont let my guard down,  
for anyone but you  
we do it all the time,  
blowing out my mind,

Just like a star across my sky,  
just like an angel off the page,  
you have appeared to my life,  
feel like I'll never be the same,  
just like a song in my heart,  
just like oil on my hands.
