[Verse 1]

Aww shit Im always caught up in a scandal
Im like Martin dumbing out on Tisha Campbell
My dick is on the crap table Im ready to gamble
Gimme a blunt and all the pussy I can handle
Ayo Im getting mad bitches like a trooper
And I'll be swinging like Im hanging out with Mr. Cooper
Pushing a phat B, bitches wanna get with me
I get more pussy than a women's penitentiary
I drink lemons with bacardi
For bitches wanna party
Make sure they gimme the punani
Yo when I be with mamis we could be maxin'
2Pac and Janet Jackson so I guess I fuck with Toni
Braxton
Whatup with Mega did you see him (yea I seen him)
Uh huh
Fucking yo bitches how to be up
Bitches know the drealy when my dick is in between
them (yo what's the deal dunn)
I fucked them and Im leavin

[Chorus]

It aint a damn thing funny
Sex, drugs, bitches & money
Where my niggas at?
It aint a damn thing funny
Sex, drugs, bitches & money

[Verse 2]

To ya'll bitches who aint making any sense
And talk that bullshit like aint nothing going on but the
rent
And want a little more graditude
I pay the rent now get the fuck out my house, that's my
attitude
You better find another sucker
I don't give a fuck
A bitch play herself and Ima buck her
Yea Im a foul motherfucker
And bitch I ran more trains than a subway from Dunston

I can't afford to pop shit
My dick the size of one of Bob Marley's clips
Being a supertravel's never easy
I even had a fight with Jorge (Weezy!!) because he
caught me fucking Weezy
Ya'll niggas better watch your girlies
Cause I'll be tag-teaming bitches like Levern and
Shirley
Ya'll motherfuckers know the rules
Now white bitches on my dick like Im from Guns-n-
Roses, dude

[Chorus]

It aint a damn thing funny
Sex, drugs, bitches & money
Where my bitches at?
It aint a damn thing funny
Sex, drugs, bitches & money

[Verse 3]
