Since I've been loving you

Working from seven to eleven every night,  
It really makes life a drag, I don't think that's  
right.

I've really been the best, the best of fools, I did  
what I could, yeah.

'Cause I love you, baby, How I love you, darling, How  
I love you, baby,

I'm in love with you, girl, little girl.

But baby, Since I've Been Loving You, yeah. I'm about  
to lose my worried mind, ah, yeah.

Everybody trying to tell me that you didn't mean me no  
good.

I've been trying, Lord, let me tell you, Let me tell  
you I really did the best I could.

I've been working from seven to eleven every night, I  
said It kinda makes my life a drag, drag, drag,  
drag..

Lord, yeah, that ain't right... no no

Since I've Been Loving You, I'm about to lose my  
worried mind.

Said I've been crying, yeah, oh my tears they fell  
like rain,

Don't you hear them, Don't you hear them falling,  
Don't you hear them, Don't you hear them falling.

Do you remember mama, when I knocked upon your  
door?

I said you had the nerve to tell me you didn't want me  
no more, yeah

I open my front door, I hear my back door slam,  
You know I must have one of them new fangled, new  
fangled back doors man.

I've been working from seven, seven, seven, to eleven  
every night and It kinda makes my life a drag...  
a drag, drag, oh yeah it makes a drag.

Baby, Since I've Been Loving You, I'm about to lose,

I'm about lose lose my worried mind.  
Just One more, Just One more  
Oh yeah, since I've Been Loving You, I'm gonna lose my  
worried mind.
