gettin' out of bed  
sunlight through your hair  
Curtis Mayfield on the radio  
flowers everywhere

chorus  
oh everything's alright with me  
cuz your love is mine  
o your love is all mine

lookin out the window  
nothin but blue skies  
breakfast is alite in the kitchen  
i see the mischeif in your eyes

chorus  
oh everything's just fine with me  
cuz your love is mine  
o your love is all mine

i got this feelin that we'll always be alright  
because you're my desire  
and i'm your delight  
your love is all mine

can we drive to the country  
i'll wear my summer dress  
stop the car we walk into the long grass  
i feel your kisses on the back of my neck

and everything's just fine with me  
cuz your love is mine  
o your love is all mine

i got this feelin that we'll always be alright  
because you're my desire  
and i'm your delight  
your love is all mine

your love is all mine  
your love is all mine

your love ia all mine  
your love is all mine  
everything is alright with me  
cause your love is all mine

yah yah ou your love is alright with me  
your love is alright yah  
your love is alright with me  
your love is alright  
your love is alright  
your love is alright yah  
that's what i'm thinkin  
your love is all mine  
your love is all mine
