Just when fate had taken enough from me
That I almost couldn't wait for my turn

Just when secretly
I found little sense in living
And no point at all to the riches I'd earned

Ever so every word that means beautiful
Ever so every word that means wonderful
You came
Now nothing's ever tasted better than life
Nothing's ever tasted better than time

Chorus:
Heaven, heaven
Can wait
'cause I got you now
Heaven, heaven
Can wait
'cause I got you now

I would wear a smile
As make up
Just to get out and face the world

And I have stretched this smile
To make up
For an empty look
Since I wanted to charm the world

Ever so every word that means beautiful
Ever so every word that means wonderful
You came
Now nothing's ever tasted better than life
Nothing's ever tasted better than time

Chorus(x6)

Heaven can wait
Heaven can wait
