I woke up this morning  
To find the world in very bad shape

Freedom and his brother Faith  
Had yet again made some more windows  
And it was all live to tape

But then I remembered I had you  
And I forgot it all as you said "I love you"  
And right then I decided  
If a man needs a cause to die for  
Then I'll make you mine

Chorus:  
Home is by you  
Home is by you  
Wherever I'll go  
You'll stay my truth

Home is by you  
Home is by you  
Wherever you go  
Know that it's true

I wasn't born until I kissed you  
I wasn't home until I missed you  
I've burned your name on my shoulder  
And I'll be your soldier always  
For home is by you

Your happiness has got to be the prize  
If I ever go to war

And I'll need a promise from God  
That you'll be here waiting  
To look after my scars

I'm so proud to be yours  
I'm writing you anthems  
And I can't wait to travel the world to chant them

You see, I've just decided  
If a man needs a cause to die for  
Then I'll make you mine

Chorus:  
Home is by you  
Home is by you  
Wherever I'll go  
You'll stay my truth

Home is by you  
Home is by you  
Wherever you go  
Know that it's true

I wasn't born until I kissed you  
I wasn't home until I missed you  
I've burned your name on my shoulder  
And I'll be your soldier always  
For home is by you

And who knows  
Maybe one day we'll have our little army  
And we'll raise it to soldier for love  
And isn't the only way to change the world really  
To leave the next ones with a heritage of love ?

Chorus:  
Home is by you  
Home is by you  
Wherever I'll go  
You'll stay my truth

Home is by you  
Home is by you  
Wherever you go  
Know that it's true

I wasn't born until I kissed you  
I wasn't home until I missed you  
I've burned your name on my shoulder  
And I'll be your soldier always

Chorus:  
Home is by you  
Home is by you  
Wherever I'll go  
You'll stay my truth

Home is by you  
Home is by you

Wherever you go  
Know that it's true

I wasn't born until I kissed you  
I wasn't home until I missed you  
I've burned your name on my shoulder  
And I'll be your soldier always  
For home is by you
