It's been an hour, maybe ten
Since it's gotten sour
It's been pouring names
Now I'm all drenched up in shame

You're fallen in and out of love
So many times, you're thinking of
Maybe leaving
But that's just straight up insane

I really do believe that our love is stronger than this
Baby please don't get me wrong

Chorus:
Love is good
Love is good
But damn, does it ever hurt
Love is sweet
Yes love is so sweet
But damn, does it ever burn
Does it ever burn

It's been days now since we touched
'Feels like a lifetime since we kissed
'cause you said you can't stand my sight

You're throwing punches
And I'm still standing
But the truth is
We're both struggling
To remember, the better days
The better day

I really do believe that our love is stronger than this
Baby please don't get me wrong

Chorus:
Love is good
Love is good
But damn, does it ever hurt
Love is sweet

Yes love is so sweet
But damn, does it ever burn
Does it ever burn

You see, the hardest part of all this
Is that love and hate
Are growing into one and the same
But there's a look in you beautiful eyes
That's whispering
Love is winning

Chorus:
Love is good
Love is good
But damn, does it ever hurt
Love is sweet
Yes love is so sweet
But damn, does it ever burn
Does it ever burn
Does it ever burn

Chorus:
Love is good
Love is good
But damn, does it ever hurt
Love is sweet
Yes love is so sweet
But damn, does it ever burn
Does it ever burn

Love is so good
Love is good
