See I ain't trying to buy your love baby
Just showing I appreciate your love baby
And anyways I already got your love baby
All you gotta do is be and take baby

Refrain:

And so tonight I'm spending on you
Just one of the many things I can do for you
It's only right
I'm spending on you
Just one of the many things I wanna do for you
I'm spending on you

I know you'd rather give than receive baby
But this is not optional, you best believe baby
No I won't have you fighting it, just receive baby
All you gotta do is be and take baby

Refrain:

And so tonight I'm spending on you
Just one of the many things I can do for you
It's only right
I'm spending on you
Just one of the many things I wanna do for you
I'm spending on you

I'm never gonna be the one to be reasonable
'cause when it comes to you
I seem to wanna spend it all

Life is too short

I don't wanna waste anymore time being reasonable
'matter fact let's get you somethin' sexy and
comfortable
So I can spend the night on you

Refrain:

And so tonight I'm spending on you
Just one of the many things I can do for you
It's only right

I'm spending on you
Just one of the many things I wanna do for you
I'm spending on you

Refrain:

And so tonight I'm spending on you
Just one of the many things I can do for you
It's only right
I'm spending on you
Just one of the many things I wanna do for you
I'm spending on you
