[Music: Knutsson/Pettersson/Eng Lyrics: Carlsson]

Enter the second life  
Explore the unknown world  
Rule another kingdom  
All opposites confirmed  
All opposites confirmed

Confront your fears  
The deadly truth of yours  
Search your mind, the thoughts you dare to think  
The thoughts you dare to think

[ref.]  
Nothing slips into my veins  
No defence, your destiny  
Soul-chained to the second pain  
Different control, you are mine

Defy your fears  
The deadly truth of yours  
Tear up your heart and search for your weakness  
And truth, my truth  
Your weakness and truth  
Your weakness and truth

Nothing slips into my veins  
No defence, your destiny  
Soul-chained to the second pain  
Different control, you are mine

Up and away, or go down on me  
Break your bones, break those bones  
Up and away or go down on me  
Bite the pain, bite the pain

[Solo]

Your weakness and truth  
Your weakness and truth

Nothing slips into my veins

No defence, your destiny  
Soul-chained to the second pain  
Different control, you are mine
