[Music: Pettersson/Eng/Knutsson Lyrics: Carlsson]

Strange is strong  
Come follow my steps  
Don't look down  
Sleep, with your eyes wide open  
Now, have a moment, your own

[for-ref.]  
Chained to the face  
Clearly criminal  
Do you provoke me?  
Stand on all fours

[ref.]  
I see the end, cause I know what will be  
From heaven send, the truth will set you free  
Just walk away  
Just go, just walk away

Make me king  
I rule you like hell, so come on  
Be my device to unlock  
Portraits of open foreheads

Chained to the face  
Clearly criminal  
Do you provoke me?  
Stand on all fours

I see the end, cause I know what will be  
From heaven send, the truth will set you free  
Just walk away  
Just go, just walk away

[Solo]

Time is slipping my hands, once more  
For a piece of my mind  
Take my body to hell

Time is slipping my hands, once more

For a piece of my mind  
Take my body to hell  
Satisfaction to kill

Chained to the face  
Clearly criminal  
Do you provoke me?  
Stand on all fours

I see the end, cause I know what will be  
From heaven send, the truth will set you free  
Just walk away  
Just go, just walk away
