If sin builds the temple the temple is to dwell in the pit
of hell walking the line till your out of time out of control
guiding your soul to hell fighting with the inner man for
freedom in your soul a death grip from hell was sent
but has to let go it's time believe it's time to receive
time to take a stand if Christ builds the temple the
temple is to dwell in his perfect will clearing your life
from sin of mankind never out of control or Satan
guiding your soul peace with the inner man freedom in
your soul God sent his son to show you the way to go
it's time to believe it's time to receive time to take a
stand
