Wash my hands do as you will take Jesus Christ to hang
on the hill no mercy was spared on that day packed his
cross paved the way nailed to a cross for all to see one
in each hand and one in his feet a crown of thorns
placed on his head stabbed in his side and was left to
die the blood flowed and has since that day saving us
all but only by grace in romans ten you will see how
easy it is to be set free all this he done for you gave his
life for you to choose through the blood there is power,
cleansing, healing, eternal life three days had passed
what did they see the stone rolled away not a big
mystery Jesus Christ alive and well defeating death
and conquering hell said he would go to prepare us a
place for those follow and obey Christ will return his
arms open wide together his church to reign by his side
