

Corpse

"Zombiefuck"

Visit "[Zombiefuck](#)" on MotoLyrics.com

Tasty and crunchy oatmeal flakes on the table
Zombiefuck
Corpse flakes for the whole daisy family
Fabulous zombiefuck

For the first meal it's important to eat
Some finger, a piece of brain, chew on a thigh bone
But more important to eat the zombiefuck in Scooby
Doom's
Plate

You didn't think it was possible to talk about a firt
Meal
On a death metal record?
Zombiefuck
Everything is possible

Ah I almost forgot... remember to brush your teeth after
Every meal
It's not nice to have a finger in between your teeth
