Faithless love  
Like a river flows  
Like raindrops fallin'  
On a broken rose  
Down in some valley  
Where nobody goes  
And the night rolls in  
Like a cold dark friend  
Faithless love  
Like a river flows

Faithless love  
Where did I go wrong  
Too many stories  
Too many heartbreaks caused  
Where nobody's right  
And nobody was wrong  
Faithless love will find you  
And the misery entwine you  
Faithless love  
Where did I go wrong

Well I guess I'm standing in the heart of broken dreams  
That's the way it sometimes goes  
And every new love never turns out like it seems  
It's just the feelin' comes and goes

Faithless love  
Like a river flows  
Like raindrops fallin'  
On a broken rose  
Down in some valley  
Where nobody goes  
Faithless love has found me  
Thrown its chilly arms around me  
Faithless love  
Like a river flows
