I'm looking
I been looking for a long time
Yaa I'm looking
I been looking for a long time
Gotta find me a woman
That I can call mine all mine

I'm looking for a woman
Looking night and day
Yaa looking for someone
To meet me halfway
I've told you time after time
Give me some of yours
I'll give you some of mine

I'm looking for a true love
A true love is hard to find
Yaa unconditional love
I can't stand no cheating and lying
I'm looking for the kinda girl
I can love a lot
Give her everything in this world that I've got

(Whoa, dat da da, dat da da da)
(Whoa, dat da da, dat da da da)

I say meet me, meet me halfway (Halfway)
Won't you meet me, meet me halfway (Halfway)
You make one step, girl I'll make two (Whoa)
Just keep loving me like you do (Halfway)
I say meet me, halfway (Halfway)
Won't you meet me, meet me halfway (Halfway)
I gave you all my money, all my loving too (Whoa)
Just keep loving me like you do
(Halfway)
Come on girl!
(Meet me)
(Halfway)
(Meet me)
(Halfway)
(Meet me)

(Halfway)
(Meet me)
(Halfway)
