Everything is okay Everything is alright Everything is okay Everything is alright

Bring in the shotgun Or bring in the saint If i moved away Would anything change

Bring in the obstacles Or bring in the grave If put my head up Would you do the same For me

Oh the other side is warm Oh the other side Is warm

Ohhhhh Ohhhhh

Everything is okay Everything is alright Everything is okay Everything alright

Bring in the confidence And stand up straight Put my head up Would you do the same For me

Oh the other side is warm Oh the other side Is warm

Ohhhhh Ohhhhh Ohhhhh

Ohhhhh
