I am the Master Demon  
God of torture and pain  
Hear my fullmoon chant  
And prepare to be wasted  
Infernal storms  
Appears from winter breeze  
I am eternity  
The centuries are mine  
Kneel before the God  
Pussy licker  
I have your body  
And bloody soul  
The reaper has born  
For all existence  
I am the One  
The Penetrator  
Fallen Nature  
Lust and sins  
Destroyed and Damned  
You are all shit (crap)  
I fuck your soul
