"Have And To Hold"

Visit "[Have And To Hold](#)" on MotoLyrics.com

I'll see you sometime
When the person
You thought i was
You thought i was
I'm not anymore

Whats the point
Of dragging this out
And i'm some kid
And you're some kid
And you're still innocent

Whats the reason
To have and to hold
When you only let go
Whats the reason
To have and to hold
When you only let go

I'll see you sometime

When i'm some wife
Or when i'm alone
Or when i'm alone
I'll haven't let go

Whats the reason
To have and to hold
When you only let go
Whats the reason
To have and to hold
When you only let go

And i'll be there to hold
I won't let go
And i'm some kid
And you're some kid
And we're still innocent
