I'll be seeing you
In all the old familiar places
That this heart of mine embraces
All day through

In the small cafe
The park across the way
The childrens carosel
The chestnut tree
The wishing well

I'll be seeing you
In every lovely summer's day
In everything thats light and gay

I'll always think of you that way

I'll find you in the morning sun
And when the night is new
I'll be looking at the moon
But i'll be seeing you

I'll be seeing you
In all the old familiar places
That this heart of mine embraces
All day through
