If you're lost at sea
Will you wait for me
If i'm shot down
Will you look for me

If i'm locked out
Will you let me in
Now i can't get out
I forgot how

Held all the doors open
Held all the doors open

If i'm lost at sea
Will you let me be
If you can't find
Any reason
Any reason to stay alive
I'll let you go

I'll let you go

If you can't find
If you can't find
If you can't find
Any reason
Any reason to stay alive
I'll let you go
