When the daylight's gone and you're on your own  
And you need a friend just to be around  
I will comfort you, I will take your hand  
And I'll pull you through, I will understand

And you know that

I'll be at your side, there's no need to worry  
Together we'll survive through the haste and hurry  
I'll be at your side  
If you feel like you're alone, and you've nowhere to turn  
I'll be at your side

If life's standing still and your soul's confused  
And you cannot find what road to choose  
If you make mistakes (make mistakes)  
You can't let me down (let me down)  
I will still believe (still believe)  
I will turn around

And you know that

I'll be at your side, there's no need to worry  
Together we'll survive through the haste and hurry

I'll be at your side  
If you feel like you're alone, and you've nowhere to turn  
I'll be at your side

I'll be at your side  
I'll be at your side  
You know that

I'll be at your side, there's no need to worry  
Together we'll survive through the haste and hurry  
I'll be at your side  
If you feel like you're alone, you've got somewhere to  
go,  
'Cos I'm right there  
I'll be at your side, I'll be right there for you  
(Together we'll survive) through the haste and hurry  
I'll be at your side

If you feel like you're alone, you've got somewhere to  
go,  
'Cos I'm at your side

I'll be right there for you  
I'll be right there for you, yeah  
I'm right at your side
