What a day, that I've left behind  
You forgave, said I've done my time  
I've been good, and nationwide, sisterhood  
Can I find that

Love, not anymore  
I don't feel it, I'm not hopeless, tragic,  
No, nothing, no more to stay  
I've got freedom, no more, calling

I don't care (I don't care)  
I walk away (walk way)  
'Coz I've got confidence for quiet,  
I'm not afraid

I'm not hungry, no I'm overfed  
Satisfied, with the life I've led  
And then, all, to where you can see  
What is me, well it's just for

Me, mine, end of the line  
You won't hear it, crash it, silent  
You're all gone, gone, left me behind  
It's just freedom, no one, calling

I don't care (I don't care)  
I walk away (I gonna walk way)  
'Coz I've got confidence for quiet,  
I'm not afraid (I'm not afraid)

No, nothing, no more to stay  
Is this freedom, no one, calling,  
I don't care....  
(Nothing know what it seems in freedom)

I don't care (I don't care)  
I walk away (I'm walk way)  
'Coz I've got confidence for quiet,  
I'm not afraid (I'm not afraid)

I don't care (I don't care)  
I walk away (I walk way)

'Coz I've got confidence for quiet,  
I'm not afraid (I'm not afraid)

I've got confidence (I'm not afraid)
