Just when I thought I was safe,
You found me in my hiding place,
I'd promised never again
I wouldn't give my heart, but then
Closer, closer I moved near you
The way I want you makes me fear you

Love breaks and love divides
Love laughs and love can make you cry
I can't believe the ways
That love can give
And love can take away

I find it hard to explain
It's crazy, but it's happening
And I'm falling again
Much further than I've ever been
I'm falling deeper than the ocean
I am lost in this emotion

Love breaks and love divides
Love laughs and love can make you cry
I can't believe the ways
That love can give
And love can take away

Ahh Oh yeah x3

Love can give
And love can take away

Love breaks and love divides
Love laughs and love can make you cry
Love can make you cry I can't believe the ways
That love can give
And love can take away
Love breaks and love divides
Love laughs and love can make you cry

I can't believe the ways
That love can give
And love can take away
