It's late at night  
And I'm feeling down  
There're couples standing on the street  
Sharing summer kisses and silly sounds

So I step inside  
Pour a glass of wine  
With a full glass and an empty heart  
I search for something to occupy my mind

But you are in my head  
Swimming forever in my head  
Tangled in my dreams  
Swimming forever

So listen to the radio (listen to the radio)  
And all the songs we used to know, oh, oh  
So listen to the radio (listen to the radio)  
Remember where we used to go...

Now it's morning light  
And it's cold outside  
Caught up in a distant dream  
I turn and think that you are by my side

So I leave my bed  
And I try to dress  
Wandering why my mind plays tricks  
And fools me into thinking you are there

But you're just in my head  
Swimming forever in my head  
Not lying in my bed

Just swimming forever

So listen to the radio (listen to the radio)  
And all the songs we used to know, oh, oh  
So listen to the radio (listen to the radio)  
Remember where we used to go...

I listen to the radio (listen to the radio)

And all the songs we used to know, oh, oh  
I listen to the radio (listen to the radio)  
Remember where we used to go...

You are in my head  
Swimming forever in my head  
Tangled in my dreams  
Swimming forever  
(Swimming forever)  
Swimming forever

So listen to the radio (listen to the radio)  
And all the songs we used to know, oh, oh  
So listen to the radio (listen to the radio)  
Remember where we used to go...

I listen to the radio (listen to the radio)  
And all the songs we used to know, oh, oh  
I listen to the radio (listen to the radio)
