Going crazy in the middle of the night
Slipping, sliding into heavenly bliss...
Fallen angel spinning from the light
Slipping, sliding into heavenly lace...

But it's all, it's alright now
'Cos we're living for this night for so long now
Yes it's all, it's alright

We are living on hope, we are living on life
Depending on truth until the day we die
We are living on hope, we are living on life
Depending on truth until the day we die

Lost and lazy, floating through the dawn
And twisting, turning, in a hazy mist...
Guardian angel of silver and ice
Sweeping, sinking in a stream of light...

But it's all, (alright...) it's alright now

'Cos we're living for this night for so long now
Yes it's all, (alright...) it's alright

We are living on hope, we are living on life
Depending on truth until the day we die
We are living on hope, we are living on life
Depending on truth until the day we die

[Violin solo]

But it's all, it's alright now
'Cos we're living for this night for so long now
Yes it's all, it's alright

We are living on hope, we are living on life
Depending on truth until the day we die
We are living on hope, we are living on life
Depending on truth until the day we die

[Fade out]
