Someone else's man has captured my heart  
Attention seeking maybe and it's tearing me apart  
I tried my best to charm him into letting her go loose  
But he keeps me from retrieving with another good  
excuse  
Though I'd hate it done to me, I'm as busy as can be,  
still

Runnin' after Somebody Else's Boyfriend  
Runnin' after Somebody Else's Boyfriend

Though I realise this game will have to stop  
Each day you're diggin' deeper still tryin to get on top  
I lie awake at night thinking things could be just fine  
(I lie awake tonight thinking things could be just fine)  
When I bring you to believin' that your love should be  
mine  
Though I'd hate it done to me, I'm as busy as can be

Runnin' after Somebody Else's Boyfriend  
Runnin' after Somebody Else's Boyfriend  
Still runnin' after Somebody Else's Boyfriend

Runnin' after Somebody Else's Boyfriend  
(Still runnin'... Still runnin'... Still runnin'... Still runnin'...)

Although I'd hate it done to me....  
Although I'd hate it done to me, I'm as busy as can be,  
still
