Yo, yo  
Uh huh, uh huh  
Make em feel this beat  
We ain't seeing nothin but some ass wobblin'  
Goddamn  
Goddamn

I like to watch them hoes twurk shake and shake that  
ass  
See this girl know how to work catch my flow when I  
splash  
Nigga out on the floor bout to get on her head  
Bootie bop then pussy bop and you know how they  
playin  
I don't wanna lose control (Why?)  
But I been drinkin' alot and I still wanna go and see  
these hoes  
It's goin down in the Dirty make your way  
Bend ya knees baby work it like you gonna give it  
Look at her legs partly bowed so you know she's a fool  
That ol' bobble like she straight went to bobblin' school  
Arms up, ass out, g-string in her butt  
I tell ya I'mma bout to pass out from on all that needin'  
of her  
Hold up wait a minute  
Let a nigga get up in it  
I can't wait 'till ya finished  
Mammi got my head spinnin'  
That bootie be lookin tight  
I'm ready to hit it right  
No need for you to fight  
Cause I'm gonna hit it all night

[Hook x4]  
Goddamn  
Goddamn ya makin' me hot  
So won't you bop-shi-bop-shi-bop-bop  
Bootie bop

Now hit it the wall, show the world, girl I like how ya  
move

Take of your dress, I wanna fuck ya, and toss you up  
wit' my crew  
Likin' you, likin' you with a hell of a curve  
This woman's gettin' fifty, mammi need to be served  
Block party gettin' naughty and we off the chain  
A full bang and shake, pull it sideways  
Your body be lookin' good when it get all sweaty  
Like that nigga Jubilee I got you hoes "gettin' ready"  
Let a nigga put that wood in ya life, alright  
And baby if that pussy good you can ride it all night  
Bootie bop, bootie bop, shorty turnin' me on  
Who's hot, drop me hot, now I'mma give her the bone  
I like em 36-24-36  
But most of all I like 'em with they take that dick  
I got that Hennessey and that fire off top  
Now you can drink to ya bop-bop-bop-bootie bop

[Hook x4]  
Goddamn  
Goddamn ya makin' me hot  
So won't you bop-shi-bop-shi-bop-bop  
Bootie bop

Bouce bounce for UNLV (Goddamn)  
So won't you bop-shi-bop-shi-bop-bop  
Bootie bop

Bend over, show a nigga what you workin' with  
Show a nigga what you workin' with  
Bend over girl won't you come and twurk it quick  
Bend over girl show me what you workin' with  
Bend over, show a nigga what you workin' with
