Do you believe in every breath I ever take?
Do you believe that I know every move I make?
You can't keep cryin' over chances I must take
Love I don't care if my feet are in the air
And there's one thing I will share you just know
(Oh)

Lover I don't care if my feet are in the air And there's one thing I will share you just know You just know

Do you know just how many hands I've had to shake?
Do you think I know every place I've ever played?
Well I know you worry but this is it I'm afraid
Lover I don't care if my feet are in the air
And there's one thing I will share you just know
(Ah)

Lover I don't care 'cos my hands are in the air And there's one thing I will share you just know You just know

(Oh)

Lover I don't care if my feet are in the air And there's one thing I will share you just know (Oh)

Lover I don't care 'cos my hands are in the air And there's one thing I will share you just know You just know

(You just know)

You just know

(You just know) You just know (You just know) You just know (You just know)
